ARTICLE II - GRIEVANCE PROCEDURE

- 2.1 This grievance procedure shall be used to process and resolve disputes regarding the interpretation or application of any of the terms and conditions of this MOU, letters of understanding, formal interpretations and clarifications executed by the SJPEA and the City.

The intent of this procedure is to resolve grievances informally at the lowest possible level and to provide an orderly procedure for reviewing and resolving grievances promptly.

A grievance is a good faith complaint of one or a group of employees or a dispute between the City and the SJPEA involving the interpretation, application, or enforcement of the express terms of the MOU and other terms and conditions of employment and matters of discipline which includes demotion, suspension or discharge.

As used in this procedure, the term "party" means an employee, the SJPEA, the City or the authorized representative of any party. The employee is entitled to representation through all steps in the grievance procedure.

- 2.2 Disputes involving the following subjects shall be determined by the Grievance Procedures established herein:
- a. Interpretation or application of any of the terms of this agreement, including Exhibits thereto, Letters of Agreement, and/or formal interpretations and clarifications executed by SJPEA and the City.
 - b. Discharge, demotion, suspension or discipline of an individual employee.
 - c. Disputes as to whether a matter is proper subject for the Grievance Procedure.
 - d. Disputes which may be of a "class action" nature filed on behalf of the SJPEA or the City. Class action grievances shall be in writing from the SJPEA to the City Manager or vice versa.

MAINTENANCE AND OPERATORS UNIT

- 2.3 STEP ONE: Discussion between the employee and/or the employee's representative, and the division head or designated supervisor directly involved, who shall answer within fifteen (15) work days. This step shall be taken within thirty (30) work days of the date of the action complained of, or the date the grievant became aware of the incident which is the basis of the Grievance.
- 2.4 STEP TWO: If a grievance has not been resolved in initial step, a written statement signed by the Grievant shall be presented to the department head which shall include the action being grieved and the desired remedy. A discussion shall then take place between the employee, his or her representative, and the department head, who shall answer in writing within fifteen (15) work days. This Step shall be taken within fifteen (15) work days from the date of the answer in Step One.
- 2.5 STEP THREE: If a grievance is not resolved in Step Two, Step Three shall be the presentation of the Grievance, in writing, by the employee or his/her representative to the City Manager, who shall answer in writing within fifteen (15) work days of receipt of the Grievance. This Step shall be initiated within fifteen (15) work days of the date of the answer in Step Two.
- 2.6 STEP FOUR: If a grievance is not resolved by the City Manager, arbitration shall be the final level of appeal for the grievances and discipline. It is agreed by both parties that the decision of the arbitrator is binding and final on both parties and that if this procedure is utilized all other avenues of appeal are waived. If arbitration is chosen the City must be notified within fifteen (15) work days of the City Manager's decision.

Within ten (10) working days after the request for arbitration is received by the City or at a date mutually agreed to by the parties, the parties shall meet to select an impartial arbitrator. If no agreement is reached at this meeting, the parties shall immediately and jointly request the State Conciliation and Mediation Service to submit to them a panel of five (5) arbitrators from which the City and the SJPEA shall alternately strike names until one (1) name remains; this person shall be the arbitrator. If the State Conciliation and Mediation Service cannot provide a list of five (5) arbitrators, the same request shall be made of the American Arbitration Association.

To insure that the arbitration process is as brief and economical as possible, the following guide lines shall be adhered to:

- a. An arbitrator may, upon mutual consent of the parties, issue a decision, opinion or award orally upon submission of the arbitration.
- b. Both parties and the arbitrator may tape record the hearing.

MAINTENANCE AND OPERATORS UNIT

- c. There shall be no official transcript required; however, either party may utilize a court reporter at its own sole expense. The cost of a court reporter required by an arbitrator shall be shared equally by the parties.
- d. The parties may agree to prepare a joint letter submitting the issue in dispute. The letter shall present the matter on which arbitration is sought and shall outline the MOU provisions governing the arbitration. It may contain mutually agreed on stipulations of fact and it may be accompanied by any documents that the parties mutually agree shall be submitted to the arbitrator in advance of the hearing which may not necessarily be stipulations of fact. Further, if the parties mutually agree, the entire matter may be submitted to arbitration for review without a hearing. Absent agreement to prepare a joint letter, the parties may submit separate letters.
- e. The strict rules of evidence are not applicable and the hearing shall be informal.
- f. The parties have the right to present and cross examine witnesses, issue opening and closing statements, and file written closing briefs. Testimony shall be under oath or affirmation.
- g. The arbitrator may exclude testimony or evidence which he/she determines irrelevant or unduly repetitious.
- h. Attendance at a hearing shall be limited to those determined by the arbitrator to have a direct connection with the appeal. Witnesses normally would be present at the hearing only while testifying and should be permitted to testify only in the presence of the employee or his/her representative and the employer's representative.
- i. The arbitration hearing will be held on the employer's premises.
- j. The cost of arbitration shall be borne equally by the parties. However, the cost, if any, of cancellation or postponement shall be the financial responsibility of the party requesting such delay unless mutually agreed by the parties.

The decision, opinion, or award shall be based on the record developed by the parties before and during the hearing. The decision will be in writing and shall contain the crucial reasons supporting the decision and award.

MAINTENANCE AND OPERATORS UNIT

The arbitrator has no power to add to, subtract from, or modify the terms of the MOU or the written ordinances, resolutions, rules, regulations and procedures of the City, nor shall he/she impose any limitations or obligations not specifically provided for under the terms of the MOU. The arbitrator shall be without power or authority to make any decision that requires the City or management to do an act prohibited by law.

The arbitrator has no power to add to a disciplinary action.

- 2.7 Failure by either party to meet any of the aforementioned time limits as set forth in Sections 2.3, 2.4, 2.5, or 2.6 shall result in forfeiture by the failing party. Except, however, that the aforementioned time limits may be extended by mutual agreement. Grievances settled by forfeiture shall not bind either party to an interpretation of this MOU, nor shall such settlements be cited by either party as evidence in the settlement of subsequent grievances.
- 2.8 Employees may have documents (other than performance reports) relating to absenteeism and disciplinary actions removed from their personnel files if the incident prompting the action took place twenty-four (24) months or more previous and no incident of a similar nature has occurred in the interim.

ARTICLE VII - SICK LEAVE CONVERSION

- 7.1 For all unused sick leave, a represented employee with ten years of employment with the City will receive medical insurance coverage upon retirement (but not upon resignation or termination) using one of the following options:

MAINTENANCE AND OPERATORS UNIT

Option #1 - CONVERSION

After ten years of employment by the City, 50% of the represented employee's unused sick leave shall be converted to months of medical insurance as adjusted herein. For each year that an employee has been employed by the City in excess of ten years, the employee shall be entitled to add 2 1/2% to the 50% before converting the unused sick leave to months of insurance.

EXAMPLE:

ROBERT SMITH RETIRES WITH 20 YEARS OF SERVICE AND 1800 HOURS OF UNUSED SICK LEAVE.

$$1800 \div 8 \times 75\% \div 12 = 14.06 \text{ YEARS OF COVERAGE}$$

The City shall pay up to \$275.00 per month towards the retirees medical insurance premiums. The retiree will be responsible for paying any premium amount above \$275.00 per month.

In the event the retiree dies the surviving dependent(s) may purchase medical insurance for the same period as if the employee had not died.

Option #2 - BANK

50% of the dollar value of sick leave will be placed into a bank to be used for medical insurance premiums for the employee and dependent(s). For each year that an employee has been employed in excess of 10 years, 2½ % will be added to the 50% before valuing the size of the bank. Each hour of sick leave is valued at \$20.00.

EXAMPLE:

ROBERT SMITH RETIRES WITH 20 YEARS OF SERVICE AND 1800 HOURS OF UNUSED SICK LEAVE (MULTIPLICATION FACTOR - \$20.00).

$$1800 \times 75\% \times \$20.00 = \$27,000.00$$

This amount will be reduced each month by the current premium for the employee and dependent(s) until the balance is gone.

In the event the retiree dies the remaining bank will be reduced by 50% and the surviving dependent(s) may use the bank until the balance is gone.

Option #3 - CASH OUT

A retired employee may choose to receive a cash settlement for unused sick leave at the rate of \$.30 on the dollar. Under this provision, employee's sick leave balance at the time of retirement shall be converted to dollars at the employee's current rate of pay.

- 7.2 In the event an active employee dies before retirement and that employee is vested in the sick leave conversion program, the surviving spouse will have an interest in one-half the value of the Bank option as calculated in section 7.1.
- 7.3 Employees selecting option #1 or #2, who retire on a service retirement shall have the option of purchasing, at the employee's cost, additional medical insurance sufficient to reach age 65.
- 7.4 Out of area retirees may receive reimbursement for medical insurance premiums up to the City's liability as specified in Section 7.1 of this Article.
- 7.5 The City agrees to modify its contract with PERS to add credit for unused sick leave per Government Code Section 20862.8. This benefit is available to all employees regardless of the date hired; however, it is the only sick leave conversion benefit available to employees hired after the effective date of the MOU. It is agreed that eight hours equals one day for purposes of determining days creditable. If an eligible employee opts to utilize the provisions of Section 7.1 the City will report to PERS they have zero hours of unused sick leave.

MAINTENANCE AND OPERATORS UNIT

- 7.6 For employees who retire during the term of this contract or who were hired before 1975, the City contribution for Option #1 will be the same as the premium being paid by the City for such coverage for employees and dependents at the time of retirement.

ARTICLE VIII - STANDBY DUTY

- 8.1 Employees in the classification of Wastewater Plant Operator shall received compensation of two (2) hours straight time pay when said employees are required to be placed in a standby status.

This bank will be funded by voluntary transfers of the dollar value of accumulated compensatory time, vacation and/or other time accumulated by the member.
- 9.2 Catastrophic is defined as being a medically certified condition in which the employee is incapacitated and unable to work due to a prolonged illness or non-industrial injury which is estimated to last for at least thirty (30) calendar days.
- 9.3 The time placed in the bank shall be converted into dollar value and shall be drawn at the requesting employees pay step. All donations must be a minimum for four (4) hours and are irrevocable.
- 9.4 To be eligible to receive this benefit the employee must have first exhausted all accrued time. This benefit can not be used for more than twelve consecutive months.

- 10.4 The City shall pay 100% of premiums for health and dental benefits for the unmarried surviving spouse and any minor children of any members of this unit who is killed or dies during the performance of official duties. This benefit terminates if the surviving spouse remarries, the children reach the age of 18, or other medical insurance becomes available.
- 10.5 The City agrees to pay 80% of the first \$750 of chiropractic and chronic physical therapy costs per fiscal year.
- 10.6 The City will maintain a "flexible spending account" for each employee.
- 10.7 If an employee has no dependents or chooses not to cover dependents with medical insurance the City will contribute \$ 25.00 per pay period to the employees deferred compensation account. If an employee elects not to be covered by medical insurance an additional \$100 per month (\$46.15 per pay period) will be contributed to the employees deferred compensation account.
- 10.8 If both the employee and the employee's spouse work for the City and are eligible for medical insurance, only one medical plan will be provided and Section 10.7 shall apply to the employee who is not the primary provider. Employees and family members required to pay a co-payment due to loss of dual coverage, will have co-payments reimbursed by the City of Lodi on a quarterly basis.

MAINTENANCE AND OPERATORS UNIT

- 10.9 Should a significant number of current Primary Care Physicians and/or Specialists in Lodi IPA that are utilized by members of the Maintenance and Operators Unit fail to continue to offer their services through the Foundation Health plan Article X Section 1 shall immediately be reopened by both the City and SJPEA to insure that the needs of the membership are met by this medical plan or a new medical plan is found and offered to the membership.

ARTICLE XI - DENTAL AND VISION INSURANCE

- 11.1 The City agrees to provide the Delta Premier dental plan (group number 4381) to all employees and their dependents. The City shall pay the full cost for the employee dental premium and one-half the premium for dependents for the term of this agreement.

His or her responsibilities are to coordinate facility operations with the laboratory staff and maintenance staff and may also be placed in charge of the facilities in the absence of the Wastewater Treatment Supervisor.

Shift Operators

These operators are shift workers and are referred to as shift operators.

Relief Operator

That operator who, when not performing relief operator duties, would have normal working hours of 7:00 a.m. to 3:30 p.m.. The Relief Operator shall receive compensation at a rate 5% above the classification of Wastewater Plant Operator II. The Relief Operator shall assume a shift operator's shift or shifts for the duration of a vacancy, and then return to regular hours.

Definition of Terms

- Day Shift: Any day of the week 7:00-a.m. to 3:30 p.m..

SCHEDULED LEAVE

Operators requesting leave, other than emergency leave, shall submit a leave request for approval a minimum of ten calendar days prior to the first day of the requested leave or as mutually agreed upon by all parties concerned.

The vacant shift shall be filled as follows:

- A. The Relief Operator shall assume the Shift Operator's shift or shifts for the duration of the vacancy, and then shall return to his or her regular hours. The Relief Operator shall not be required to relieve more than one shift operator in a work week without compensation being paid at the proper overtime rate of pay for all hours outside of his or her own regular hours. The work week begins on Sunday 00:01 hours and concludes on Saturday at 24:00 hours. With advanced notice (24 hours) the Relief Operator's days shall be shifted to the same schedule as the shift operator that is to be relieved, and his or her hours shall be changed on the day of relief. If proper notice is not given as indicated above, the Relief Operator shall be paid overtime for the first shift of relief, and then assume the shift operator's days and hours until the vacancy is concluded. However, the Relief Operator shall not be required to work more than 40 hours in a work week or eight hours on any given day without overtime compensation.

NOTE

If filling the vacancy would require the payment at the overtime rate, the Assistant Wastewater Treatment Superintendent may fill with available operations staff.

- B. In the event the shift cannot be filled as described above, the following order of relief shall be used:
1. The Operator on his or her days off.
 2. The other operator on duty that day shall work the shift.
 3. Chief Operator.
 4. The Assistant Wastewater Treatment Superintendent or his or her designated representative shall appoint someone from the division deemed qualified by him/her to work the shift.
- C. Coverage should not cause an operator to work a double shift unless unavoidable.

EMERGENCY LEAVE
NOTIFICATION, AND REQUEST

A. Call-In Procedure

In the event an Operator is unable to report for a scheduled shift, it is his or her duty to inform the Assistant Wastewater Treatment Superintendent by phone of the nature of his or her inability to report for work, as soon as practicable. To do this, the following guidelines should be used:

The earlier the call is made, the easier it will be to get a replacement Operator. an attempt should be made to call no later than 6:00 a.m. for the Day Shift and 1:00 p.m. for the Swing Shift.

B. Shift Replacement

When an operator is off sick, on emergency leave, or otherwise absent the procedure shall be the same as "scheduled leave" and the same overtime payment and notice of shift change shall apply to the relieving operator.
